

STEWARDSHIP, TRAINING, REFUGE, AND EDUCATION FOR ATI IN MALAY, INC. (STREAM)

STUDENT OF THE MONTH

"I worked as a maid before with my mom and they did not treat us nicely. That situation encouraged me to study well because there is hope in education to uplift my family from poverty."

Kerian Tamboon
2nd year college
Bachelor of Secondary Education
Major in Filipino

"To study is very important for me as I saw how hard it was for my parents to provide for our needs. I worked as a maid for 2 years during the COVID-19 pandemic and there I experienced how hard it was and realized the need to study and finish college."

"To all who are supporting us, you are all a blessing to us by God so we can study in college. We are very happy and thankful to you everyday! God bless po sainyong lahat, palangga ta kamo! (God bless all of you, we love you!)" - Kerian

Support a Student Program (per semester)

Northwestern Visayan Colleges is a private school situated 2 hours away from Kerian's home. It costs around P46,000 to send Kerian to school per semester which will cover for her tuition fee, weekly allowance, monthly dorm rent, and transportation. Kerian is also a working student, she works on the weekends to help her parents with their daily expenses. Let's help Kerian finish her college education!

Kerian is also being mentored by Liam (the one in the middle of the picture on the right). They meet weekly to study God's Word, be encouraged and listened to, be mentored in life, which will help her finish her college.

We are overwhelmed by the needs but look forward to how \$132/mo per student can change the lives of the students and the tribe. The organization's needs for this school year will be approximately:

P2,000,000 or \$35,000

If it's in your heart to give, come with us on this journey to help change a life that brings sustainable change to a whole tribe.
